1. Applicant's amendment to independent claim 1 filed 4/24/06 has been entered.
2. Claims 1-21 are allowed.
3. The following is an examiner's statement of reasons for allowance: the examiner concurs with applicant's arguments filed 4/24/06 that the prior art of record fails to teach or fairly suggest to one of ordinary skill in the art, a sensor at the start of scan position and a sensor at an end of scan position, the end of scan position being spaced apart from the start of scan position as now specifically claimed in independent claim 1. More detailed independent claim 12 also contains such a limitation.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Karl D. Frech whose telephone number is (571) 272-2390. The examiner can normally be reached on maxi-flex.
